Dear Sir/Madam

LETTER OF INTRODUCTION

On behalf of the Executive Dean of the School of Education, University of Malawi, I am pleased to introduce Mr. Alex Mwale, an Education student majoring in Computer Studies, who has been assigned to your school for Teaching Practice beginning in September 2026.

We kindly request that you receive him and extend to him the same professional support and responsibilities as other teachers on your staff. During the period of his stay, we trust that he will be actively involved in both academic and extracurricular activities at your school.

As part of the requirements for Teaching Practice, the student teacher should be allocated a minimum of 10 and a maximum of 20 teaching periods per week. This is essential for fulfilling the credit and assessment requirements of the programme.

The School of Education further expects that, in the final week of the placement, the student teacher will:

- Administer end-of-term examinations to the classes he has been teaching,
- Mark the examinations, and
- Submit the results to your office as part of his final assessment.

Should the student teacher fail to fulfil this obligation, we request that your office report the matter immediately to the Teaching Practice Coordinator using the contact information provided below.

We also request that **any cases of indiscipline, including absenteeism without valid reasons**, be reported promptly. Timely communication is essential to enable the School to take appropriate disciplinary action. Kindly avoid waiting until the end of the Teaching Practice period to report such matters.

Please contact the following persons in case of any concerns:

- **Teaching Practice Coordinator:** 0888 123 961
- **Assistant Teaching Practice Coordinator:** 0996 787 515
- **Executive Dean, School of Education:** 0995 363 224

The School of Education sincerely appreciates your continued support in mentoring our students and pledges its full cooperation to ensure the success of this important exercise.

Yours faithfully,
